FUNDRAISING STATEMENT: 2017-2018

STATEMENT OF FUNDRAISING COMMITMENT

Peninsula Preschool is funded through fund-raising activities. Money raised through fund-raising accounts for approximately 42% of the school's budget.

ALL FAMILIES ARE EXPECTED TO HELP WITH THE FUNDRAISERS BY DONATING TIME AND/OR MATERIALS. Everyone's help is needed in order to make these events profitable and successful. Successful fundraisers help the school meet its budget, provide quality programs and retain the excellent staff currently employed.

If a family chooses not to participate in fund raising events, they may be required to pay an amount to be determined by the Board of Directors. The amount will be announced prior to each fund raising event and could be up to \$200 per event.

The above statements are compiled from the Peninsula Preschool Handbook. Copies of the Handbook will be provided to every family at the start of the school year.

Fundraising activities will vary from year-to-year and new ideas are always welcome. To assist you in understanding the level of commitment requested of family members, below are two examples of past events:

Food Booth at Pumpkin Patch Festival held Fri-Sun in October. Each family was asked to cover one 3-hour shift at the booth or assist with set-up/tear-down. Families who were unable to participate could identify another volunteer to assist in their place.

Trivia Night held on a weeknight in the winter. In the past, each family was asked to ensure contributions of at least \$100 toward the event by identifying corporate sponsors. Family members also participated as judges and MCs during the event and/or volunteered their time for set-up and clean-up activities.

By signing below I/we acknowledge the importance of fundraising activities at Peninsula Preschool and pledge my/our support.
